Remarks

Great opportunity to own a desirable "B" model Cessna 170. Local airplane that flies regularly so times may change a little. Very flyable the way it is in its classic style or a great starting point for you to build the 170B of your dreams. Trades considered including flyable aircraft, run out or run down aircraft. All information represented to the best of our ability, Buyer shall verify all information, equipment, specs and times.

Priced at \$79,000
