

N33075 1975 Piper Arrow II PA 28R-200

Description

Very economical retractable gear time builder. Nice Paint, Flies Great. Easy to fly, simple to maintain. I would fly it anywhere. It has older avionics, use as-is, or build a new radio stack your way.

Detailed Specs

Summary

N33075

1975 Piper Arrow II PA 28R-200 – Fresh Annual

New Muffler, Good Compressions, Runs Great.

Overhauled by G&N in 2006

Prop

Hartzell Constant Speed

1402.35 SPOH

Interior.

As pictured. Clean and functional cloth interior showing the expected signs indicative of its age but quite functional with seating for 4 and room for bags.

Remarks

Great opportunity to get into a complex aircraft at a lower price point. Cruise 140 kts on 10 gph . Carry 4 people plus room for bags. Fresh Annual!
