

N2518Z 1977 Bellanca Citabria

Description

FOR SALE: 1977 Bellanca Citabria – Beautifully Restored | NEW Fabric & Interior | IO-320 Powered Aerobatic Fun!

If you're looking for a classic taildragger that turns heads on the ramp and performs in the sky, this **1977 Bellanca Citabria** delivers. Fresh off a full restoration, this aircraft is the perfect blend of timeless charm and ready-to-fly reliability.

General Specs: Total Time:3383, Engine 1 Time:935, SMOH Condition:Used, Year Painted:2025, Interior Year:2025, # of Seats:2

Aircraft Highlights:

- **Complete New Fabric** – Professionally recovered with attention to detail; flawless finish that showcases the aircraft's classic lines.
- **All-New Interior** – Crisp, clean, and comfortable with updated upholstery and panels throughout.
- **Lycoming IO-320 Engine** – Fuel-injected powerplant offers increased performance, smooth operation, and reliability for both training and aerobatic thrills.
- **Baggage Door Kit Installed** – Adds convenience and utility for weekend trips or cross-country flying.

Built to Fly—Really Fly:

Certified for a wide range of aerobatic maneuvers:

- Spins
 - Loops
 - Rolls
-

-
- Hammerheads
 - Chandelles
 - **Inverted Flight** capability

This Citabria is ideal for:

- **Aerobatic training or weekend fun**
- **Tailwheel endorsements**
- **A back-to-basics flying experience**
- Or just a beautiful classic aircraft to own and enjoy

Why You'll Love This Plane:

Whether you're a seasoned taildragger pilot or someone looking to sharpen their stick-and-rudder skills, this Citabria is a standout. With the restoration already done, the only thing left is to fly it and enjoy. The IO-320 gives it more pep than the standard O-235, making climbs and maneuvers noticeably more responsive.

Fly it. Train in it. Have fun with it. This is the Citabria you've been waiting for.
